Executive Director/CEO

Dr. Vicki Isler
LifeScape
2501 W. 26th St.
Sioux Falls, SD
73013

Dear Dr. Isler,

On behalf of the National Commission for the Accreditation of Special Education Services (NCASES), it is my honor to be the first to congratulate LifeScape for being accredited for a period of four years (1/15/2023 – 1/14/2027). This achievement illustrates your commitment to providing the highest quality of educational services. The Commission commends you and your staff.

Again, congratulations on attaining full NCASES accreditation. By volunteering for an NCASES accreditation review, you have demonstrated your commitment to providing the highest standards of educational services for your students and have set a fine example for others in the field to follow.

Our best wishes to you and your staff for even greater success in the years to come.

Sincerely,

Danielle Damm
Executive Director
